

2019 Action Plan Substantial Amendment 2-CARES Act-Notification

Hello:

The 2019 Substantial Amendment #2 to the Action Plan is available on the DuPage County Community Development Commission webpage https://www.dupageco.org/Community_Services/Community_Development_Commission/31052/. This amendment has been made to address Emergency Solutions Grants program funding received under the CARES Act in response to the COVID-19 pandemic. Under the CARES Act, the use of amounts provided under Homeless Assistance Grants shall not be subject to the consultation and/or citizen participation requirements that otherwise apply to the Emergency Solutions Grants program.

Thank you.
