

Answers from Doug Potts to some questions:

- o \$600 additional pay on top of UE benefit insurance is providing many people more \$ than they were making while working
- o Employers are having a hard time getting people to return to work
 - § Employers will file a refusal to work form and the UE benefits will be stopped immediately if someone refuses to return to their job – is someone refuses due to Covid concerns, a meeting may be scheduled
- o No clear answer regarding questions of not being able to return to work without available childcare and UE benefits
