

WSJC

We want to take this opportunity to express our deep appreciation for the ten years of commitment and participation that Mary Zienty, our board vice president has given to us. Mary retired from Bridge Communities on Friday. The dedication and professionalism that she provided to her clients at Bridge was an inspiration to all of us. As many of you know, Bridge serves single mothers who have experienced homelessness, assisting them with shelter, job search assistance and tutoring among many other services. Mary's collaboration, enthusiasm and promotion of the WSJC mission were traits that truly made her invaluable to us as board members and her leadership will be greatly missed!

We are also excited to introduce Monique Shelton, who is the new Director of Employment at Bridge and will also be a new member of the WSJC. We are looking forward to meeting her via Zoom, or hopefully in person at a future meeting. We know that she'll continue Mary's legacy of supporting our mission for low income job seekers and employees in DuPage. Welcome Monique! As you can see, she is copied on this message and I'm sure would appreciate your personal messages, as she's not part of the Google Group yet.

Happy Spring everyone! Our next General Membership meeting will be on Friday, May 21st, so please mark your calendars for another Zoom presentation.

Regards,

The WSJC Board of Directors
