

PRC Job Fair 3-12-2020 in Westmont

In these scary times, I want to share some good news...

Our Peoples Resource Center Job Fair last Thursday was quite successful- (unfortunately it's the last time we will see crowds for a while)

We had over 100 job seekers, the Westmont library took over 40 LinkedIn photos and created even more LinkedIn profiles

Gail (Poised for Success) won the hearts of the ladies who were in attendance and we have a lot of follow up to do for them

Our employers were very happy with the job seekers who attended; almost every employer told me they have follow up interviews scheduled

Many interviews will now be held remotely but I hope for our clients sake they don't miss a beat

Thanks to everyone who helped promote the event – a few more days / hours and the event would not have happened

I am so glad for the job seekers in our area that they had a little ray of hope and once this world returns to normal we can all provide assistance to them.

There were so many smiles all morning, it was really great
