Remote Group Facilitation Virtual Training

As a facilitator, have you ever struggled to hold a group's attention, keep them on pace with your agenda, or manage a disruptive participant? These challenges can be even harder in the digital format. Luckily, there are some key skills you can develop to improve your virtual facilitation and keep your group on track! Through this interactive training series, cultivate the necessary personal and professional characteristics to be an effective group facilitator online and in-person.

After attending this training, you will be able to:

- Implement new facilitation techniques and develop self-awareness as a facilitator
- Provide clear direction and structure to your group

- Redirect and engage disruptive participants
- Avoid common pitfalls in virtual facilitation
