

Hello! I support one of the many Care for Cars automotive shops for regular maintenance and repairs, passing this along in case you know anyone that can benefit from offer to support our local community.

Dear customer,

Are you or do you know someone in the healthcare field working extra hours and putting themselves on the front line to protect us?

We would like to show our support!!!

We are very excited to partner with Napa Auto Parts and offer health care workers and first responders FREE OIL CHANGES!!! We appreciate everything that you are doing at this time taking care of the community. You all are doing amazing things working extra hours and putting your health at risk to fulfill the needs of others.

To schedule please call us at 630-527-0967 or schedule online at www.clarkscarcare.com. Our waiting area and service office are closed for the safety of our staff and customers. We have a drop box and vehicles can be dropped off 24 hours.

CUSTOMERS AND FRIENDS - please share throughout the community to spread the word!

*Applies to most vehicles *Offer extends through April 10th 2020
